

## ACHIEVE TOTAL LEGISLATIVE COMPLIANCE WITH SIMS RECYCLING SOLUTIONS

Sims Recycling Solutions provides a full-service, integrated approach to meeting the compliance, collection and processing needs of manufacturers affected by electronics take-back legislation.

Our centrally managed Compliance and Take-Back Service eases the burden and expense of in-house manufacturer compliance and vendor management, allowing clients to concentrate on their businesses and better serve their customers.

### THE GLOBAL LEADER IN ELECTRONICS REUSE & RECYCLING

To discuss assistance with OEM regulatory compliance, contact us today at **800.270.8220** or visit [us.simsrecycling.com](http://us.simsrecycling.com).

**Recycle Right. Recycle Now.**
